Subject: RE: Decision of Hendersonville as to IRV

I spoke with Sam Fritschner on the phone today. I told him the State Board of Elections would be preparing the coding for the voting equipment and told them the City of Hendersonville would be responsible for an exit survey and maybe we could work with the Hendersonville High School or Blue Ridge Community College in conducting an exit survey. I have also talked to Brookes Garrett-Jones and asked him to contact Sam in regard to establishing the details of the election. Thanks.

Beverly W. Cunningham
Elections Director
Henderson County
