

Responses to Verified Voting

Who paid for the Cary exit poll survey?

The survey was prepared by Dr. Michael Cobb and conducted by student volunteers, League of Women Voters volunteers and volunteers recruited by Democracy NC.

Is Dr. Michael Cobb any relation to David Cobb, presidential candidate for the Green Party?

Do not know. Highly doubt it.

Did the Wake County BOE order or conduct an exit poll survey?

No.

How many surveyed were from District B? What is the breakdown on exit poll surveys and polling places surveyed?

The survey was conducted by a volunteer group and that data has not been requested or supplied to the SBE.

Why aren't the unusual demographics of Cary mentioned so that readers won't be misled into thinking that this is typical of any other part of NC?

No claims were made that Cary represented any group other than the voters residing and casting votes in the City of Cary.

Why no link to the full exit poll, although it is only one page, compared to the 2 page more thorough exit poll from San Francisco?

There were no expectations by the SBE or Wake County that this survey would be posted on a web site.

Where is the full report, and does the Wake County Board of Elections have it?

The report currently is in the sole possession of Dr. Michael Cobb.

Does the State Board of Elections have it?

No.

We need an official record of the meeting of the Wake BOE.

You will have to make an official request to the Wake County BOE.

Did the Wake County BOE vote to perform an audit and or a recount of the ballots?

A sample hand-to-eye audit count was conducted as part of the official canvass. No recount was requested or conducted.

Who performed the audit and the recounts?

The Wake County BOE staff prepared the canvass audit and the CBE approved and certified.

Who will evaluate results?

Dr. Michael Cobb

How are the survey forms to be accounted for?

Dr. Michael Cobb has custody.
