Re: Voter Registration

February 19, 2007

Our office has received your voter registration/update application. We cannot finish processing your registration until we resolve the following issue:

As of January 1st, 2006, applicants are required to provide valid identification when registering to vote. If you have a North Carolina Driver's License or ID card, you are required to provide this number. If you do not possess a North Carolina driver's license number, you may provide the last 4 digits of your Social Security Number. If you do not possess a Social Security Number, and you have previously registered to vote in North Carolina, you may provide your State Voter Registration Number (SVRN). If you have neither a North Carolina driver's license nor a Social Security Number nor a State Voter Registration Number, please check the appropriate box, sign and return this letter along with a copy of a current and valid photo identification, or a copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows your name and address.

Please complete the corrected information section on the following page, sign, and return this letter so we are able to process your application.

Thank you for your prompt attention to this matter.
